All of me
Why not take all of me
Can't you see
I'm no good without you
Take my lips
I wanna lose them
Take my arms
I'll never use them

Your goodbye left me with eyes that cry
How can I get go on dear without you
You took the part that once was my heart
So why not take all of me

Your goodbye left me with eyes that cry
How can I get go on dear without you
You took the part that once was my heart
So why not take all of me

Your goodbye left me with eyes that cry
How can I get go on dear without you
You took the part that once was my heart
So why not take all of me
