Why can't it stay like this forever?  
Why does it always have to change?

Every time you think you've paid the price  
Seems you've always got to pay it twice  
Every time you think you're near the end  
You turn around and find another ticket

Oh my love, time is runnin' out  
Oh my love, time is runnin' out

Why must we wait until tomorrow  
When we already know the score?

Every time you think you've paid the price  
Seems you've always got to pay it twice  
Every time you think you've got it made  
Seems you're lonely lying in the shade

Every time you think you've run the course  
Seems you've got to ride another horse  
Every time you think you're near the end  
You turn around and find another ticket

Oh my love, time is runnin' out  
Oh my love, time is runnin' out

Every time you think you've paid the price  
Seems you've always got to pay it twice  
Every time you think you've got it made  
Seems you're lonely lying in the shade

Every time you think you've run the course  
Seems you've got to ride another horse  
Every time you think you're near the end  
You turn around and find another ticket

Oh my love, time is runnin' out  
Oh my love, time is runnin' out  
Oh my love, time is runnin' out
