God's got a plan, he's making it clear
Sweet little love song in your ear
Like hearts made of diamond, love will prevail
Put a little wind in your sail

I'd do anything, anything you can dream of
I'd do anything, anything for your love
For your love

Listen now baby, I'll tell you true
Just how much that I love you
I got a sweet feeling I know is real
This kind of love you can't conceal

I'd do anything, anything you can dream of
And I'd do anything, anything for your love
For your love

I'd do anything, anything you can dream of
I'd do anything, anything for your love
For your love

For your love
For your love
For your love
