Oh baby honey, what's wrong with you?
Well now baby, honey what's wrong with you?
Well, you don't treat me, baby like you used to do

I can't help it baby, if I'm acting strange
I'm just hoping baby, I'm not going insane
Well baby, honey what's wrong with you?
Well now, you don't treat me, baby like you used to do

I can't help it baby, if I'm acting strange
I'm just hoping baby, I'm not going insane
Well baby, honey what's wrong with you?
Well now, you don't treat me, baby like you used to do

Oh baby honey, what's wrong with you?
Well now baby, honey what's wrong with you?
Well, you don't treat me, baby like you used to do
