Before you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women
You've been taking money from someone else

I called your mama 'bout three or four nights ago
I called your mama 'bout three or four nights ago
Mama said, "Son
Don't call my daughter no more"

Before you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women
You've been taking money from someone else

Come back home baby, try my love one more time
Come home, back home baby, try my love one more
time
If I don't go on and quit you
I'm gonna lose my mind

Before you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women
You've been taking money from someone else
