Artist : Eric Clapton  
Title : Better Make It Through Today  
From There's One In Every Crowd  
-----

Life is what you make it  
That's what the people say  
And if I can't make it through tomorrow  
I better make it through today

I have had my share of troubles  
It's nothing new to me  
When I look around me  
All I see, is misery

Yea...

Life is what you make it  
At least that's what the people say  
And if we can't make it through tomorrow  
We better make it through today, today...
