Bell Bottom Blues
Make me cry
i don't want to lose this feeling
if i could choose
a place to die
it would be in your arms

Bridge:
Do you want to see me crawl across the floor
Do you want to hear me beg you to take me back
Lord, i would gladly do it because

Chorus:
i don't wanna fade away
give me one more day please
i don't wanna fade away
in your heart i wanna stay

Its all wrong,
but its all right
the way that you treat me baby

once i was strong
oh, but i lost the fight
you won't find a better loser

Bridge
Do you want to see me crawl across the floor
Do you want to hear me beg you to take me back
Lord, i would gladly do it because

Chorus
i don't wanna fade away
give me one more day please
i don't wanna fade away
in your heart i wanna stay

(instrumental- Guitar)

Bridge
Do you want to see me crawl across the floor

Do you want to hear me beg you to take me back
Lord, i would gladly do it because

Chorus

i don't wanna fade away
give me one more day please
i don't wanna fade away
in your heart i wanna stay

Bell Bottom Blues

don't say goodbye
we're surely gonna meet again

And if we do

don't you be surprised
if you find me with another lover

Bridge

Do you want to see me crawl across the floor
Do you want to hear me beg you to take me back
Lord, i would gladly do it because

Chorus 2x

i don't wanna fade away
give me one more day please
i don't wanna fade away
in your heart i wanna stay
