I thought that you'd be loving me
I thought you were the one who'll stay forever
But now forever's come and gone
And I'm still here alone

'Cause you were only playing
You were only playing with my heart
I was never waiting
I was never waiting for the tears to start

It was you
Who put the clouds around me
It was you, who made the tears fall down
It was you, who broke my heart in pieces
It was you, it was you
Who made my blue eyes blue, ohh
I never should've trusted you

I thought that I'd be all you need
In your eyes I thought I saw my heaven
And now, my heaven's gone away
And I'm out in the cold

You had me believing
You had me believing in a lie
Guess I couldn't see it
I guess I couldn't see it 'till I saw goodbye
It was you
Who put the clouds around me
It was you, who made the tears fall down
It was you, who broke my heart in pieces
It was you, it was you
Who made my blue eyes blue, ohh
I never should've trusted you

You were only playing
You were only playing with my heart
I was never waiting
I was never waiting for the tears to start

It was you
Who put the clouds around me

It was you, it was you
It was you, who put those clouds around me
It was you, who made the tears fall down
Only you, could break my heart in pieces
It was you, it was you
Who made my blue eyes blue, ohh
I never should've trusted you

ohh, I never should've trusted you (3x)
