If I can reach the stars  
Pull one down for you  
Shine it on my heart  
So you could see the truth  
That this love I have inside  
Is everything it seems  
But for now I find  
It's only in my dreams

And I can change the world  
I will be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world

And if I could be king  
Even for a day  
I'd take you as my queen  
I'd have it no other way

And our love would rule  
This kingdom we had made  
Till then I'd be a fool  
Wishing for the day

That I can change the world  
I would be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world  
Baby if I could change the world

I could change the world  
I would be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world  
Baby if I could change the world  
Baby if I could change the world
