You say, you want everything good for me  
But I know you so well, I can tell when you're lying  
Making believe, you're looking up to me  
And I'm just sitting here, crying

And I don't know why  
I don't know why  
I don't know why, I don't care

You'll go on back to him, he'll take you in  
I know, he's gonna love you, but I still want you back  
again  
'Cause baby, you're part of me, it's deep inside of you  
When he's done all he can  
You'll come running to your other man, oh yeah

And I don't know why  
I don't know why  
I don't know why, I don't care

I know, you won't soon forget last night  
Your precious love was all over me, but it's all right  
Go on and try again but you know, nothing's gonna  
change  
That's the way it's gonna be, oh yeah

And I don't know why  
I, I don't know why  
I don't know why, I don't care

I don't know why, I don't care  
I don't know why, I don't care  
I don't know why, I don't care  
I don't know why, I don't care  
I don't know why, I don't care
