How many times must I tell you  
baby

How many bridges I've got to cross?  
How many times must I explain myself  
'fore I can talk to the boss

'fore I can talk to the boss?

How many times must I say I love you  
before you fin'lly understand?  
Won't you be my forever woman?  
I'll try to be your forever man

try to be your forever man.

Solo

How many times must I say I love you  
before you fin'lly understand?

Won't you be my forever woman.  
Try to be your forever man.

Try to be your forever man.

Forever man  
forever man  
forever man.  
Forever man  
forever man  
forever man.

Try to be your forever man.

Forever man  
forever man  
forever man.  
Forever man  
forever man  
forever man.  
Forever man  
forever man  
forever man.

Try to be your forever man.
