I'm sorry
Why should I say, I'm sorry?
If I hurt you
You know you've hurt me too

But you get lost inside your tears
And there is nothing I can do
'Cause I get lost inside my fear
That I am nothing without you

You're angry
Why shouldn't you be angry?
With what we've been through
Well, I get angry too

But you get lost inside your tears
And there is nothing I can do
'Cause I get lost inside my fear
That I am nothing without you
That I am nothing without you

Why should we have taken so long
To be looking inside of our mind?
Everything we tried went wrong
Are we worried 'bout what we might find?

I'm sorry
But can I say, I'm sorry?
If I hurt you
You know it hurts me too

But you get lost inside your tears
And there is nothing I can do
'Cause I get lost inside my fear
That I am nothing without you

And you get lost inside your tears
And there is nothing we can do
'Cause I get lost inside my fear
That I am nothing without you

That I am nothing without you

Feel like I'm nothing without you
And I am nothing without you
Like I am nothing without you
