(feat. J.J. Cale)

Well my heads in Georgia but my feet are California  
bound

Well my heads in Georgia but my feet is California  
bound

Cause that good looking woman I got wants to leave  
these Georgia towns

Well we ride them old freight trains rent them  
automobiles

For we ride them old freight trains and rent them  
automobiles

Cause that good looking woman is tired of these old  
Georgia hills

And that lonesome old highway seems to be our way  
no doubt

And that lonesome old highway seems to be the way no  
doubt

Cause that good looking woman and me, we just  
hanging out

Trains and airplanes is all we do, I'm running half the  
time just like she wants me to

Makes me no difference to me when all is said and  
done, headed west toward the setting sun

Well my heads in Georgia but my feet is California  
bound

Cause that good looking woman I got wants to leave  
these Georgia towns

Well my heads in Georgia but my feet is California  
bound

Well my heads in Georgia but my feet is California  
bound

Cause that good looking I got wants to leave these  
Georgia towns

Cause that good looking woman I got wants to leave  
these Georgia towns

Good looking woman I got wants to leave these  
Georgia towns
