We searched all through the night.  
I couldn't find it; you couldn't find it.  
I knew something wasn't right.  
I couldn't find it; you couldn't find it.

And they say heaven is one step away.  
Heaven is one step away.

And then there came the dawn:  
I couldn't find it; you couldn't find it.  
I just had to carry on.  
I couldn't find it; you couldn't find it.

Chorus

We didn't leave till a quarter to three.  
All your friends, they were laughing at me.  
I don't get it, I don't understand;  
Who is that man holding your hand?

First Verse

Chorus

Heaven is one step away.  
Heaven is one step away.  
Heaven is one step away.  
Heaven is one step away.
