Sixteen days in Bethlehem
Peddling dope to keep drinking wine
Pulling women, making gigs
Steerin' clear and doin' fine
I moved on down to Galilee
Trying to find a few new friends
I'm throwin' aces everywhere
Trying to forget the end

So hold me Lord, hold me Lord
Hold me tight, I'm slippin' through
Hold me Lord, hold me Lord
Hold me tight, I beg of You

I'm cruising through Jerusalem
Dust is flyin' everywhere
I'm dodging bullets, making time
On the level, in the square

They say you kissed your best friend's hand
They say you did it for his love
They say he got in agony
The hand fits well into the glove

Woah, hold me Lord, hold me Lord
Hold me tight, I'm slippin' through
Hold me Lord, hold me Lord
Hold me tight, I beg of You

Hold me Lord, hold me Lord
Hold me tight, I'm slippin' through
Hold me Lord, hold me Lord
Hold me tight, I beg of You

Ohh, hold me Lord, hold me Lord
Hold me tight, I'm slippin' through
Hold me Lord, hold me Lord
Hold me tight, I beg of You

Hold me Lord, oh hold me Lord
Hold me tight, I'm slippin' through
Hold me Lord, hold me Lord

Hold me tight, I beg of You
