I was ready to take a chance
I found myself a new romance
Then you call that same old night
Always change my mind

Oh no, not again
Oh no, not again

Just when I thought it was over you come back
And I'm hung up on your love again
Just when I thought I was free you come back
Now I'm hung up on your love again

Just as I was doing good
You come back just to prove you could
Things will always be the same
With me the victim of the game

Oh no, not again
Oh no, not again

Just when I thought it was over you come back
And I'm hung up on your love again
Just when I thought I was free you come back
Now I'm hung up on your love again

Just when I thought it was over you come back
And I'm hung up on your love again
Just when I thought I was free you come back
Now I'm hung up on your love again

Just when I thought it was over you come back
And I'm hung up on your love again
Just when I thought I was free you come back
Now I'm hung up on your love again

Just when I thought it was over you come back
And I'm hung up on your love again
Just when I thought I was free you come back
And I'm hung up on your love again

Just when I thought it was over you come back

And I'm hung up on your love again
Just when I thought I was free you come back
Now I'm hung up on your love again
