For all night, Dwight

Got a '56 Cadillac
With a spare tire on the back
Got a charge account in my old bank
Said, I ain't got you

Well, got a classic and a pool
And a big hair ghoul
No matter who I fool
Said, I ain't got you

I got a Taylor and a liquor store
I played the number four, four, four
Got a mojo and don't you know
And I'm dressed up with no place to go

I got women to the left of me
Women to the right of me
I got chicks all around me
Said, I ain't got you, I said, I ain't got you

Yeah, I got a Taylor and a liquor store
I play the number four, four, four
I got a mojo' yeah and don't you know
I'm dressed up with no place to go

Got woman to the left of me
Woman to the right of me
I got chicks all around me
Said, I ain't got you, I said, I ain't got you

Mr. Whitford

Yeah, I got a Taylor and a liquor store
I play the number four, four, four
Got a mojo and don't you know
I'm dressed up with no place to go

Got woman to the left of me
Woman to the right of me
I got chicks all around me

Said, I ain't got you, I said, I ain't got you

Oh Joe

I got a Taylor and a liquor store
I play the number four, four, four
I got a mojo and don't you know
I'm dressed up with no place to go

I got woman to the left of me
I got woman to the right of me
I got chicks all around me
Said, I ain't got you, I said, I ain't got you
You know I ain't got you, baby
