In the land of ice and snow  
Up among the Eskimo  
There's a college known as Oogie-wawa.

You should hear those college boys  
Gee, they make an awful noise  
When they sing their Eskimo tra la la.

They've got a leader, big cheer leader, oh what a guy!  
He's got a frozen face just like an Eskimo Pie.

When he says, "Come on, let's go!"  
Though it's forty-five below  
Listen what those Eskimo all holler:

I scream, you scream, we all scream for ice cream!  
Rah, rah... Oogie de wawa rah rah rah!  
Tuesday, Monday, we all scream for Sundae!  
Sis, boom, Aurora borealea, bah!

Boola boola  
Sasparoola  
We've got the chocolate  
I'll take vanoola

I scream, you scream, we all scream for ice cream!  
Rah, rah, ice cream soda or gingerale pop!

Father mother  
Sister brother  
When they've had one at lion  
They want another

Colleges may come and go  
But the world will never know  
Any other place like Oogie-wawa

Oxford, Cambridge, Eaton too  
Football teams would all turn blue  
When they played a game with Oogie-wawa

Those Esquimos looked mighty tough when they took  
the field  
And people said, Ah, they're the team that never will  
yield  
Then with gore and flying fur  
Just to show how tough they were  
All those Esquimos began to holler

Iceberg, Lindberg, Sol Berg and Ginzberg,  
Ice cream Cohen.  
I scream, you scream, everybody wants ice cream.  
Rah, rah, raaazberry!
