Blue skies upon the horizon  
Private eye is on my trail  
And if I don't be there by morning  
You know that I must have spent the night in jail

I got a woman living in L.A  
I got a woman waiting for my pay  
And if I don't be there by morning  
She know that I must have gone the other way

Finding my way back to you girl  
Lonely and blue, mistreated you  
Sometimes I think of you girl  
Is it true that you think of me too?

Finding my way back to you girl  
Lonely and blue, mistreated you  
Sometimes I think of you girl  
Is it true that you think of me too?

I left my woman with a twenty dollar bill  
I left her waiting, I hope she's waiting for me still  
'Cause if I don't be there by morning  
You know that I, I never will

And if I don't be there by morning  
You know that I, I never will  
I never will, I never will  
I never will, I never will
