You said you were hurtin'  
You almost lost your mind  
The man you love  
He hurts you all the time

When things go wrong  
Wrong with you  
It hurts me too

He loves another woman  
But I love you  
But you love him  
I don't know what to do

When things go wrong  
Wrong with you  
It hurts me too

You love him more  
When you should love him less  
Why sneak up behind him  
And take his mess?

When things go wrong  
Wrong with you  
It hurts me too  
It hurts me too  
Play your heart out

Now, he'd better leave you  
Or you should put him down  
I just can't stand  
To see you pushed around

When things go wrong  
Wrong with you  
It hurts me too

So goodbye, baby  
I've got to leave you now  
I'm gonna pack my bags  
And move on down the line

When things go wrong with you  
When things go wrong  
So wrong with you

When things go wrong  
Wrong with you  
It hurts me too  
It hurts me too
