It's in the way that you use it  
It comes and it goes  
It's in the way that you use it  
Boy don't you know

And if you lie you will lose it  
Feelings will show  
So don't you ever abuse it  
Don't let it go

Nobody's right till somebody's wrong  
Nobody's weak till somebody's strong  
No one gets lucky till luck comes along  
Nobody's lonely till somebody's gone

It's in the way that you use it  
It comes and it goes  
It's in the way that you use it  
Boy don't you know

It's in the way that you use it  
It comes and it goes  
It's in the way that you use it  
Boy don't you know

And if you lie you will lose it  
Feelings will show  
So don't you ever abuse it  
Don't let it go

I've seen dark skies, never like this  
Walked on some thin ice, never like this  
I've told you white lies, never like this  
Looked into true eyes, never like this

It's in the way that you use it  
Boy don't you know  
So don't you ever abuse it  
Don't let it go
