I've got a feeling
we would get serious girl.
'Cause right at this moment
I could promise you the world.
Before we get crazy

before we explode

There's something 'bout me
baby

You got to know

you got to know.

I get off on fifty seven chevies

I get off on a screamin' guitar

Like the way it gets me
every time it hits me.
I've got a rock 'n' roll

I've got a rock 'n' roll heart.

Feels like we're falling
into the arms of the night

So if you're not ready
don't be holding me so tight

Guess there's nothing left
for me to explain

Here's what you're gettin'
and I don't wanna change

ain't gonna change.

I get off on ...

Don't need no glitter

no Hollywood;
All you got to do is lay down

lay it down good.

I get off on ...

I got
I got a rock'n'roll heart.
I got
I got a rock'n'roll heart.
I got
I got a rock'n'roll heart.
I got
I got a rock'n'roll heart.
