I never seen you looking so lovely as you did tonight
I never seen you shine so bright...mm hmm
I never seen so many men ask you if you wanted to
dance
Looking for a little romance
Given half the chance

I have never seen that dress you're wearing
Or the highlights in your hair...they catch my eye
I have been blind

Lady in red is dancing with me...cheek to cheek
There's nobody here
It's just you and me
It's where I wanna be
I hardly know
This beauty by my side
I'll never forget the way you look tonight

I've never seen you looking so gorgeous as you did
tonight
I've never seen you shine so bright
You're amazing
I never seen so many people want to be there by your
side
And when you turn to me and smile
You took my breath away
I have never had such a feeling
Such a feeling of complete and utter love
As i do tonite

Lady in red is dancing with me...cheek to cheek
There's nobody here
It's just you and me
It's where I wanna be
And I hardly know
This beauty by my side
I'll never forget the way you look tonight

I never will forget
The way you look tonight

Lady in red...
Lady in red...
Lady in red...
Lady in red...
