Standing at the crossroads
trying to read the signs
To tell me which way I should
go to find the answer
And all the time I know

Plant your love and let it grow.

Let it grow
let it grow

Let it blossom
let it flow

In the sun
the rain
the snow

Love is lovely
let it grow.

Looking for a reason
to check out of my mind

Playing hard to get a
friend that I can count on

When there's nothing left to show

Plant your love and let it grow.

Let it grow
let it grow

Let it blossom
let it flow

In the sun
the rain
the snow

Love is lovely

let it grow.
Time is getting shorter

there's much for you to do

Only ask and you will
get what you are needing

The rest is up to you

Plant your love and let it grow.

Let it grow
let it grow

Let it blossom
let it flow

In the sun
the rain
the snow

Love is lovely
let it grow.

Let it grow
let it grow

Let it blossom
let it flow

In the sun
the rain
the snow

Love is lovely
let it grow.

Let it grow
let it grow

Let it blossom
let it flow

In the sun
the rain
the snow

Love is lovely
let it grow.
