Hey Louise, what you're trying to do?  
Louise, Louise, what you're trying to do?  
You're trying to love me girl and love another man too

Big boat up the river, stuck on a bank of sand  
If you don't get in deep water soon, you're never gonna  
get to land

Louise, Louise what you're trying to do?  
You're trying to love me girl and love another man too

My mama she told me, now I understand  
You're trying to love me Louise, love another man

Louise, Louise, what you're trying to do?  
You're trying to love me girl and love another man too

Somebody's been fishing, fishing in my pond  
Catching all my little fishes, grinding up the bones

Louise, Louise, what you're trying to do?  
You're trying to love me girl and love another man too
