[Originally by The Spinners]

Sometimes a girl  
Will come and go  
You reach for love  
But life wont let ya know  
That in the end  
Youll still be lovin her  
But then shes gone  
Youre all alone

Sign of pain  
Is on my face, well  
My hearbeat stops  
But I wont take the blame, no no  
I gave her all the love I had within  
My love was strong  
Somethin went wrong, no! no!

It takes a fool to learn  
Yes sir  
That love don't love nobody  
Love love love love love love  
It takes a fool to learn  
Yes it does, girl  
That love don't love no one  
That love don't love no one  
It takes a fool to learn  
Stop to think about it, well  
That love don't love nobody  
Oh! Oh no!  
It takes a fool to learn  
When youre down and out, shout about it  
That love don't love no more  
Tell the world, oooh babe  
No more...  
Ohhhhhh, babe  
It takes a fool to learn  
Gotta be more careful about myself  
That love don't love nobody  
It takes a fool to learn  
Woah baby, took me a long time to learn, to learn, well

That love don't love no one  
It takes a fool to learn  
I was a fool, you were a fool  
That love don't love nobody  
Now we got love, we need love  
It takes a fool to learn
