I remember yet before we met  
When every night and day I had to live the life of a  
lonely one  
And I remember meeting you, discovering love could  
be so true  
When shared by two 'stead of only one

When you said you loved me  
And we could not be parted  
Said, "I built my world around you  
And I'm truly glad I found you"

Because loving you has made my life sweeter than  
ever  
I never felt so good before  
Loving you has made my life sweeter than ever  
Yes it has, you know it has

Each night I pray we'll never part  
Because the love within my heart grows stronger from  
day to day  
Best I try, hard I try to reassure and satisfy  
You know I'd be lost if you went away

When you said you loved me  
And we could not be parted  
Said, "I built my world around you  
And I'm truly glad I found you"

Because loving you has made my life sweeter than  
ever  
Yes it has, I know it has  
Loving you has made my life sweeter than ever

When you said you loved me  
And we could not be parted  
Said, "I built my world around you  
And I'm truly glad I found you"

Because loving you has made my life sweeter than  
ever  
I never felt so good before

Loving you has made my life sweeter than ever  
Yes it has, you know it has

Loving you has made my life sweeter than ever  
Don't you know my baby there?  
Loving you has made my life sweeter than ever
