You're always in my head, you keep me feeling fine
I celebrate each time I realize you're really mine

'Cause I'm a man in love, yes I'm a man in love
I tell it everywhere I go, I want the whole world to know
That I'm a man in love

I used to be so sad, like a dog without a bone
And then you showed me something baby I had never
known

Oh, I'm a man in love, I'm a man in love
I tell it everywhere I go, I want the whole world to know
That I'm a man in love

I love to see you walk up and down the street
You look so pretty baby from your head down to your
feet

I'm a man in love, yes I'm a man in love
I tell it everywhere I go, I want the whole world to know
That I'm a man in love

Well, the minutes seem like hours, and the hours seem
like days
And the days they seem like years every time you go
away

I'm a man in love, yes I'm a man in love
I tell it everywhere I go, I want the whole world to know
That I'm a man in love

'Cause I'm a man in love
'Cause I'm a man in love
'Cause I'm a man in love
