Give me one more chance to make it up to you  
Give me one more chance to show what I can do  
Let me prove to you that my love is strong  
Won't you come back home that's where you belong

Oh baby, won't you give me one more chance?  
Won't you give me one more chance?

Well, the sun won't shine and it refuse to rain  
And I bang my head but I feel no pain  
Then I tell myself that I could start anew  
But I know darn well it all depends on you

Oh baby, won't you give me one more chance?  
Won't you give me one more chance?

So, if you hear this song, you might change your mind  
And give a thought to me, I won't be hard to find  
And I'll promise you to do the best I can  
Change my evil ways and be your loving man

Oh baby, won't you give me one more chance?  
Won't you give me one more chance?

So, give me one more chance to make it up to you  
Give me one more chance to show what I can do  
Let me prove to you that my love is strong  
Won't you come back home that's where you belong

Oh baby, won't you give me one more chance?  
Won't you give me one more chance?

Won't you give me one more chance?
