Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back for you

Hold on to what you try to be, your individuality
When the world is on your shoulders
Just smile and let it go
If people try to put you down
Just walk on by don't turn around
You only have to answer to yourself

Don't you know it's true what they say
In life it ain't easy
But your time's coming around
So don't you stop tryin'

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back for you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you (Na na na...)

Try not to worry 'bout a thing
Enjoy the good times life can bring
Keep it all inside you, gotta let your feelings show
Imagination is the key, cos you are your own destiny
You never should be lonely, when time is on your side

Don't you know it's true what they say
Things are sent to try you
But your time's coming around
So don't you stop tryin'

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back for you
Dream of falling in love

Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you (Na na na...)

Don't you know it's true what they say
Things happen for a reason
But your time's coming around
So don't you stop tryin'

Don't stop never give up
Hold your head high and reach the top
Let the world see what you have got
Bring it all back for you
Dream of falling in love
Anything you've been thinking of
When the world seems to get too tough
Bring it all back to you
