Eric Clapton  
Over The Rainbow

Somewhere, over the rainbow, way up high  
There's a land that heard of once in a lullaby  
Somewhere, over the rainbow, skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star and  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Way above the chimney tops that's where you'll find me

Somewhere, over the rainbow, bluebirds fly  
Birds fly over the rainbow, why then oh, why can't I?  
Someday I'll wish upon a star and  
Wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Way above the chimney tops that's where you'll find me

Somewhere, over the rainbow, bluebirds fly  
Birds fly over the rainbow, why then oh, why can't I?

Birds fly over the rainbow, why then oh, why can't I?  
If happy little bluebird fly beyond the rainbow, why, oh,  
why can I?  
Why can't I? Why can't I? Why can't I?
