I had a strange dream from a pearly queen  
And she could drink more wine than I've ever seen  
She had some gypsy's blood flowin' through her feet  
And when the time was right she said that I would meet  
my destiny

I traveled around the world to find the sun  
I couldn't stop myself from havin' fun  
And when the time was right, the flowers grew

But they were made of silk and sequins, two by two

I traveled around the world to find the sun  
I couldn't stop myself from havin' fun  
And when the time was right, the flowers grew  
But they were made of silk and sequins, that I would  
meet my destiny
