My life was always draggin' on
You show me how to be in love
I realize when you were gone
And I love everything about you baby

'Cause your the vision in my mind
Your spirit is so sweet and strong
You help me up when I'm broken down
And I love everything about you baby
Never let our love fall away

'Cause this is heaven when you're close to me
Oh, it flows like a river
'Cause this is heaven when you're close to me
And I'll give a piece, a piece of my heart

'Cause you're the star in all my dreams
You keep me goin' on and on
No one knows what you do for me
And I love everything about you baby
Never let our love fall away

'Cause this is heaven when you're close to me
Oh, it flows like a river
'Cause this is heaven when you're close to me
And I'll give a piece, a piece of my heart

Don't let go, livin' for you baby
Don't let go, livin' for you baby
Don't let go, livin' for you baby
Don't let go, livin' for you baby
Never let your love fall away

And I love everything about you baby

This is heaven when you're close to me
Oh, it flows like a river
This is heaven when you're close to me
And I'll give a piece of my heart

This is heaven when you're close to me
Oh, it flows like a river

This is heaven when you're close to me
And I'll give a piece of my heart

Heaven, close to me
Heaven, close to me
I'll give a piece, piece of my heart

Heaven, close to me
Heaven, close to me
