Hey now baby, get into my big black car.
Hey now baby, get into my big black car.
I want to just show you what my politics are.

I'm a political man and I practice what I preach.
I'm a political man and I practice what I preach.
So don't deny me baby, not while you're in my reach.

I support the left, though I'm leaning, leaning to the
right.
I support the left, though I'm leaning to the right.
But I'm just not there when it's coming to a fight.

Hey now baby, get into my big black car.
Hey now baby, get into my big black car.
I want to just show you what my politics are.
