Left alone to cry
While he goes out singing
And she don't see why
A wedding bell ain't ringing

Left alone to cry
While he goes out rocking
And she can't see why
It ain't her he's socking

Bye, bye, goodbye
Pretty blue eyes
Bye, bye, goodbye
Pretty blue eyes

Left alone to cry
Life don't seem worth living
I stand to say goodbye
Done enough forgiving

Bye, bye, goodbye
Pretty blue eyes
Bye, bye, goodbye
Pretty blue eyes
