I got rambling
I got rambling all on my mind
I got rambling
I got rambling all on my mind
Used to [incomprehensible] my baby
'Cause she treat me so unkind

I'm going down to the station
Catch the fastest train see
I'm going down to the station
Catch the fastest train see
I got the blues 'bout Miss so-and-so
And her son's got the blues about me

I got mean things all on my mind
Little girl, little girl
I got mean things all on my mind
Used to [incomprehensible] my baby
'Cause she treat me so unkind
