I've got a feeling we could be serious, girl  
Right at this moment I could promise you the world  
Before we go crazy - before we explode  
There's something 'bout me, baby, you got to know -  
you got to know

I get off on '57 Chevys  
I get off on screaming guitar  
Like the way it gets me every time it hits me  
I've got a rock and roll - I've got a rock and roll heart

Feels like we're falling into the arms of the night  
So, if you're not ready, don't be holding me so tight  
I guess there's nothing left for me to explain  
Here's what you're getting and I don't want to change -  
I don't want to change

I get off on '57 Chevys  
I get off on screaming guitar

Like the way it gets me every time it hits me  
I've got a rock and roll - I've got a rock and roll heart

I don't need no glitter - no Hollywood  
All you got to do is lay it down, and you lay it down  
good

I get off on '57 Chevys  
I get off on screaming guitar  
Like the way it gets me every time it hits me  
I've got a rock and roll - I've got a rock and roll heart

I've got a - you've got a rock and roll heart...
