I've got a feeling we could be serious, girl;  
Right at this moment, I could promise you the world.  
Before we go crazy, before we explode,  
There's something 'bout me, baby, you got to know,  
you got to know.  
I get off on 57 Chevys;  
I get off on screaming guitar.  
Like the way it hits me every time it hits me.  
I've got a rock and roll, I've got a rock and roll heart.

Feels like we're falling into the arms of the night,  
So if you're not ready, don't be holdin' me so tight.  
I guess there's nothing left for me to explain;

Here's what you're gettin' and I don't want to change, I  
don't want to change.

Chorus

I don't need to glitter, no Hollywood,  
All you got to do is lay it down and you lay it down  
good.

Chorus
