by Eric Clapton and Peter Robinson

She's waiting for another love.
She's waiting for another love.

She's been waiting for another love,
Someone that she can show into her heart.
And when she finally finds a stronger love,
Your whole world's gonna fall apart.

Chorus

You've been abusing her for far too long;
Think you're a king and she's your pawn.
Get ready now, 'cause pretty soon
She'll be gone and you'll be on your own.

Chorus

I see the hunger burning in her eye;
Any fool could see there's something wrong.
You keep pretending not to care,
But I will hear you sing a different song.

Chorus

Waiting for another lover,
Hoping for the time that she'll find another...
