I'm a sleepy time baby, a sleepy time boy.  
Work only maybe, life is a joy.

We'll have a sleepy time time.  
We'll have a sleepy time time.  
We'll have a sleepy time time.  
We'll have a sleepy time time.  
Sleepy time time, sleepy time all the time.

Asleep in the daytime, asleep at night.

Life is all playtime; working ain't right.

Chorus

I have my sunday, that ain't no lie.  
But oh monday morning ain't my favorite cry.

Chorus
