Could fill spoons full of diamonds  
Could fill spoons full of gold  
Just a little spoon of your precious love  
Will satisfy my soul

Men lies about it  
Some of them cries about it  
Some of them dies about it  
Everything's a-fightin' about the spoonful

That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoon

Could fill spoons full of coffee  
Could fill spoons full of tea  
Just a little spoon of your precious love  
Is that enough for me?

Men lies about it  
Some of them cries about it  
Some of them dies about it  
Everything's a-fightin' about the spoonful

That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, yeah

Could fill spoons full of water  
Save them from the desert sands  
But a little spoon of [Incomprehensible]  
Save you from another man

Men lies  
Some of them cries about it  
Some of them dies  
Everything's a-fightin' about it

Everything's a-cryin' about it  
Everything's a, everything's a dyin' about it

Everything's a-cryin' about it  
Everything's a-lyin' about it

[Incomprehensible]  
Spoonful, spoonful, yeah  
Alright, yeah, dyin' about it  
Alright, just cryin' about it

That spoon, that spoon, that  
Little old spoon, little old spoon, little old  
Little old spoon, little old spoon, little old spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful, yeah

Everything's a-dyin' about it, yeah
