It's gettin' near dawn
When lights close their tired eyes
I'll soon be with you my love
Give you my dawn surprise
I'll be with you darlin' soon
I'll be with you when the stars start fallin'

I've been waiting so long
To be where I'm goin'
In the sunshine of your love

I'm with you my love
The light shining through on you
Yes, I'm with you my love
It's the morning and just we two
I'll stay with you darlin' now
I'll stay with you till my seas are dried up

I've been waiting so long
To be where I'm goin'
In the sunshine of your love

I'm with you my love
The light shining through on you
Yes, I'm with you my love
It's the morning and just we two
I'll stay with you darlin' now
I'll stay with you till my seas are dried up

I've been waiting so long
I've been waiting so long
I've been waiting so long
To be where I'm going
In the sunshine of your love
