You know the sun is shining, it's raining in my heart  
I don't know what to do since we've been apart  
Why don't you tell me, babe, what is going on?  
You know I love you darling, don't wanna be alone

They're tearing us apart  
They're breaking up my heart  
I knew it from the start  
Your friends are tearing us apart

You know I can't go on feeling this old way  
You know my heart is burning, it's burning everyday  
You know I love you, baby, no one else will do  
Why don't you reconsider, what I want you to

They're tearing us apart  
They're breaking up my heart  
I knew it from the start  
Your friends are tearing us apart

They're tearing us apart  
They're breaking up my heart  
I knew it from the start  
Your friends are tearing us apart

Your friends are tearing us apart  
Tearing us apart, tearing us apart
