Title: The Sunshine Of Your Love

-----

It's getting near dawn  
When lights close their tired eyes  
I'll soon be with you my love  
To give you my dawn surprise  
I'll be with you darling soon  
I'll be with you when the stars start falling

I've been waiting so long  
To be where I'm going  
In the sunshine of your love

I'm with you my love  
The light's shining through on you  
Yes, I'm with you my love  
It's the morning and just we two  
I'll stay with you darling now  
I'll stay with you till my seas are dried up

I've been waiting so long  
To be where I'm going  
In the sunshine of your love

I'm with you my love  
The light's shining through on you  
Yes, I'm with you my love  
It's the morning and just we two  
I'll stay with you darling now  
I'll stay with you till my seas are dried up

I've been waiting so long  
I've been waiting so long  
I've been waiting so long  
To be where I'm going  
In the sunshine of your love
