Walk out if it doesn't feel right
I can tell you're only lying
If you've got something better tonight
Then don't mess up my mind with your crying

Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain

I have come from so far away
Just to put a ring on your finger
If you've said all that you've got to say
Then please don't feel the need to linger

Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain, in the rain

It's raining outside of the city
My poor feet have walked till they're sore
If you don't want my love, it's a pity
I guess I can't see you no more

Walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain, in the rain

Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain

Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right

And catch the next train
Oh, darling, walk out in the rain
