Walk out if it doesn't feel right  
I can tell you're only lying  
If you've got something better tonight  
Then don't mess up my mind with your crying

Just walk out in the rain  
Walk out with your dreams  
Walk out of my life if you don't feel right  
And catch the next train  
Oh, darling, walk out in the rain

I have come from so far away  
Just to put a ring on your finger  
If you've said all that you've got to say  
Then please don't feel the need to linger

Just walk out in the rain  
Walk out with your dreams  
Walk out of my life if you don't feel right  
And catch the next train  
Oh, darling, walk out in the rain, in the rain

It's raining outside of the city  
My poor feet have walked till they're sore  
If you don't want my love, it's a pity  
I guess I can't see you no more

Walk out in the rain  
Walk out with your dreams  
Walk out of my life if you don't feel right  
And catch the next train  
Oh, darling, walk out in the rain, in the rain

Just walk out in the rain  
Walk out with your dreams  
Walk out of my life if you don't feel right  
And catch the next train  
Oh, darling, walk out in the rain

Just walk out in the rain  
Walk out with your dreams  
Walk out of my life if you don't feel right

And catch the next train  
Oh, darling, walk out in the rain
