How can I explain
This feeling that's true?
Honey, I can't hardly stand it
I wanna make love to you

I ain't gonna try to tell you
How it's made me so blue
Sitting alone here and wondering
I wanna make love to you

When the storms fall from the heavens
And the rivers, they stop their flow
If you just stop and talk to me
Honey, that's when I'll know

I wanna make love to you
I wanna make love to you
I wanna make love to you
I wanna make love to you

Please stop and tell me
Tell me you want me too
Come on, baby
I wanna make love to you

I wanna make love to you
I wanna make love to you
Wanna make love to you
I wanna make love to you
Oh darling

I wanna make love to you
I wanna make love to you
Oh darling
I wanna make love to you
Wanna make love to you

I wanna make love to you
I wanna make love to you
I wanna make love to you
I wanna make love to you
Oh baby

I wanna make love to you
I wanna make love to you
I wanna make love to you
Wanna make love to you
