Eric Clapton & Paul McCartney

Look at you all, see the love there that's sleeping
While my guitar gently weeps
Look at the floor and I see it need sweeping
Still my guitar gently weeps

I don't know why nobody told you
How to unfold your love
I don't know why someone controlled you
They bought and sold you

Look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps
I don't know how you were diverted
You were perverted too
I don't know why you were inverted
No-one alerted you

Look at you all, see the love there that's sleeping
While my guitar gently weeps
Look at you all
Still my guitar gently weeps

Still my guitar gently weeps
While my guitar gently weeps
Still my guitar gently weeps
While my guitar gently weeps
Still my guitar gently weeps
While my guitar gently weeps
Still my guitar gently weeps
