Way back yonder in the days of old
The men was workin', but not savin' any dough
Then came a woman, lookin' real cool
She said to herself, "Now, that's my fool"

I'm gonna ball tonight
(I'm gonna ball tonight)
I'm gonna ball tonight
(I'm gonna ball tonight)
Well you can't break the rule
Because every man is some woman's fool

Met a girl on the avenue
She was shy and I was blue
Like a teacher and a student in school
Looked at me and said, "You're my fool"

We're gonna ball tonight
(We're gonna ball tonight)
We're gonna ball tonight
(We're gonna ball tonight)
Man, I can't break a rule
Because every man is some woman's fool

Way back yonder in the days of old
The men was workin', but not savin' any dough
Then came a woman, lookin' real cool
She said to herself, "Now, that's my fool"

I'm gonna ball tonight
(I'm gonna ball tonight)
I'm gonna ball tonight
(I'm gonna ball tonight)
Well you can't break the rule
Because every man is some woman's fool

(I'm gonna ball tonight)
I'm gonna ball tonight
(We're gonna ball tonight)
We're gonna ball tonight
(We're gonna ball tonight)

We're gonna ball tonight
(We're gonna ball tonight)
We're gonna ball tonight
Well I can't break the rule
Because every man is some woman's fool
