"Ten Long Years"

Well, I had a woman
She was nice, kind and loving to me in every way

Oh, I had a woman
She was kind and loving to me in every way

Oh, she used to love me
And bring my breakfast to the bed every day

Oh, for ten long years
She was my pride and joy

Oh, for ten long years
She was my pride and joy

Yeah, I used to call her 'my little girl'
Oh, she used to call me, she used to call me her 'little boy'

Oh, it's all over baby
You know I'm all alone
It's all over baby
Babe, you know I'm all alone

Well, the reason you hear me
Singing the blues baby
Yeah, you know my baby's gone
She's gone, she's gone
